Mr. Chet LaPrice,

April 25, 2014

We are very pleased to inform you that PAB has granted your application for a \$5,000 grant for 2014.

Competition for the grants was very keen and we are most pleased for you and WERG. However, because of the large number of qualified grant applications, and our limited funds, we have amended our rules so that winning grant recipients may not reapply for funding for the year following their successful grant. I am sure you can understand our desire to spread our grants around to as many as can benefit.

I have enclosed your grant application so you can begin planning. Please let me know to whom I should make out the check and I will send it to you.

Please let me know how you do with your proposed purchases and send us some pictures, if you have the opportunity.

We wish you and all the students at WERG radio the very best,

Sincerely,

Richard Wyckoff
