Dear Chet:

Thank you very much for helping WQLN with our annual television auction. Because of your hard work we made our goal of raising nearly 100 grand. I hope you enjoyed yourself, because I sure did. It's always fun to get together.

As kids Mister Rogers taught us to be good neighbors, and today is a beautiful day in our upper Peach Street neighborhood because WQLN has great neighbors . . . like you. Thanks neighbor!

Best regards,
