Dear Chet,

Congratulations on sponsoring a successful blood drive on February 9<sup>th</sup>. The American Red Cross would like to take this opportunity to acknowledge you and the members of ZBT, each of whom helped to make the blood drive's success happen.

Your blood drive collected 45 units of whole blood and 7 people participated in the Double Red Cell donation process. Gannon University's contribution to the nation could ultimately help save the lives of up to 146 people, since each blood donation can help as many as three patients.

Blood comes from only one source – healthy, volunteer donors. Saving lives is no small task, and the six to eight minutes each donor spent giving blood translates to a lifetime of hope for the patients who received the donations.

Thank you, again, for being a blood drive sponsor and I look forward to working with you in the future.

Sincerely,

Kathie Roae
